#### NEWS FROM KDES

-- Students from the KDES Middle School Drama Club recently presented a Christmas program which featured a series of skits, dances and musical numbers on Dec. 14 in the Gallaudet auditorium. It was the Drama Club's first public performance and a successful one at that!

-- Forty KDES students took part in the lighting ceremony of the National Christmas tree on Dec. 14 at the President's Park, just south of the White House. The hour long program featured a speech by President Carter along with a few other brief addresses and musical presentations.

ON THE GREEN is published each week by the Office of Alumni and Public Relations for the staff and faculty of Gallaudet College.

#### PICTURES FROM A SMALL PLANET - Jan. 8-26

On the occasion of the International Year of the Child, 1979, the United States Committee for UNICEF will present an exhibition entitled, Pictures From a Small Planet.

The exhibit consists of approximately 260 pieces of children's art from nearly every country in the world. The art for this exhibit has been selected largely on the basis of how well each piece shows the social and cultural life of the child who is the artist.

The paintings have been arranged by themes, to show that there are many common interests and experiences among the world's peoples, even though they may be expressed differently. Accompanying some of the themes in the exhibit are short programs of films, games, demonstrations, music and musical instruments, etc. The emphasis is on participation by the audience.

It will take approximately one and one-half hours for a group to view the exhibit and take part in a few of the activities. If you have members of your group who are unable to sit on the floor, or who find it difficult to stand and watch for up to 20 minutes, they should bring small lightweight folding stools with them.

When you call to schedule your group, please be prepared to furnish the following information: name and address of group; number in group; if children, age range; number of adults accompanying; date and time desired for visit; if any members are handicapped.

To schedule a group/class please call the UNICEF Information Service, 547-1721. The exhibit will run from January 8 - 26 and will be held in the Hubert Humphrey Building - HEW, 200 Independence Ave., S.W., Washington, D.C.
